Table with 4 columns: Date, Days, Time, and Selection box. Rows include dates from September 2022 to March 2023.

Sustainable Architecture – EEC.2Q

Table with 4 columns: Date, Days, Time, and Selection box. Rows include dates from June 2022 to April 2023.

BELOW ARE A FEW POINTS FOR YOUR CLARIFICATION:

- **A letter of acceptance does not guarantee a place in the class.** It places you on a waiting list until you receive the CAQ and study permit.
- In order to have a confirmed seat, you must **submit all documents** (CAQ and study permit) as soon as you receive them. Once we receive your CAQ and study permit, we will send you the educational contract. You must **sign the contract** and send it back to your admissions advisor as soon as possible to receive your seat confirmation.
- If you are applying from outside of Canada, contact your admissions advisor to confirm your place in the class **before purchasing your plane ticket**. This is very important before coming to Quebec! Capacity is very limited. **DO NOT PURCHASE AN AIRLINE TICKET WITHOUT A SEAT CONFIRMATION.**

The College reserves the right to change the start date, end date and internship date of a program or to adjust class schedules or merge existing classes to warrant continuance if deemed necessary, while respecting the language of instruction of your program.
